PRESIDENT'S FOREWORD TO ANNUAL REPORT

Gentlemen,

Each year in our Association's short history has been bigger and brighter than the preceding year. Season 1968 conformed to this pattern and saw our numbers continue to expand and our playing standards to rise. The usual climax to our season, - Gala Day, was accompanied by unprecedented publicity, in the press and on television and radio, thus making our activities widely known throughout the metropolitan area, and giving a most favourable impression of our Association.

I must thank all those hard workers who contributed at Association level - particularly my colleagues on the Management Committee, who met often and until late hours, and worked arduously for the game when they were not meeting, - thank you, gentlemen, for your untiring efforts.

Despite our remarkable progress, much remains to be accomplished and to complete the soccer structure in our district we need a licensed club and a team playing in top class soccer. The licensed club is on the drawing-board and with the co-operation of all clubs and officials should be a lot closer to being a reality by this time next year. I commend this project to you all, and request your co-operation.

Thank you all for your efforts in 1968, and I trust that you will all help to keep us progressing in 1969 and further improving our already prominent place in soccer and the community.

Thank you all, too, for the spirit of sportsmanship displayed almost universally during 1968, and I hope that this sporting spirit will always be a feature of our Association's activities.

D. M. ALLEN,

President.

SECRETARY'S REPORT

Just what did the 1968 Season hold for the K.D.S.A. ?

Mr. L. Thomas in last year's annual report stated, "we have had our problems and there have been many differences of opinion, but at the end of the season most of these seem to have been left behind and the future looks bright". To me, his statement was true and his prediction for the future, at least in 1968, proved correct. I trust you saw the season in the same light as it appeared to me.

CLUB INTEREST AND UNITY:

To me, this is the area in which the K.D.S.A. progressed the most. Despite some minor differences regarding the District Representative 14, 15 and 16 teams, the Clubs showed their unanimous support for the principle of Representative football. At the end of the season, all Clubs were co-operating to the utmost to help ensure that in future this Association's Representative teams will bring

increasing pride and pleasure to all members of the Association. Season end also saw united opposition given to a move (from outside the Association) to form a breakaway Association, and the unity, support and loyalty of the Hornsby Shire clubs was most gratifying.

STANDARD OF PLAY:

The rapid improvement in the standard of play amazes me. From the Lowest Under 7 to the All Age and Representative teams the standard continues to rise. The older and larger clubs have continued to produce winners, but the pleasing aspect of the '68 season was the success of Corpus Christi, St. Leo's, Sacred Heart and Brooklyn clubs' return to the Association and the winners' circle.

Improvement in standard is partially measured by results in open competition and in this respect 1968 was most successful. All representative teams performed creditably. Special mention must be given to our Under 10's Metropolitan Championship Runners-up; Under 15, Metropolitan Knock-Out Championship Finalists, and Ku-ring-gai United's undefeated Premiership winning Second Grade Team.

COACHING:

Improvement in standard of play goes hand in hand with better coaching. We have this with our Senior Association coaches, Stuart Sherwin, Dave Wardell and Andy Clewes. Many club teams are now showing the benefit of better qualified and experienced coaching as a result of clubs sending officials to Coaching classes conducted in adjoining Associations. With the large attendance (over 60) at the current Coaching course being conducted at West Pymble and the formation of a Gladesville-Ku-ring-gai branch of the Coaches Federation to assist coaches at club level, the future in this regard looks most promising.

REFEREES:

What a feature of the '68 Season the Hornsby - Kuring-gai Soccer Referees League has proved to be. The administration of the League is now functioning most efficiently and the standard of refereeing has improved no end. This improvement of refereeing, particularly in the Senior matches, without doubt has been largely responsible for helping to make the All Age Competition most interesting and enjoyable. The training scheme implemented for the junior referees was most successful and as they gain in experience, the Junior competitions will benefit immensely.

GROWTH:

Numerical growth is certainly not a stranger to the K.D.S.A. We still seem to maintain our average percentage growth despite the ever increasing size of the Association. This year the growth was 14% with an increase of 32 Teams and over 300 players. Grace Bros. have been replaced by Roseville, and Hornsby United have joined the ranks of the All Age Competition. It is pleasing to see Brooklyn's reorganisation and return to the Association.

The local private schools have now started playing soccer and some have played against teams from this Association. We trust that it will not be too long before they are playing in the K.D.S.A. competition.

GROUNDS:

Growth frequently presents many problems, lack of suitable grounds not being the least of them. We have managed in 1968, but as we have endeavoured to point out to both Ku-ring-gai and Hornsby Councils, if there is not a fairer share of the better large grounds in 1969, particularly for afternoon football, the situation will be intolerable. If clubs solicit the help of their Aldermen, particularly in view of the coming Local Government elections, we may manage this coming year. If Councils turn a deaf ear - who knows how we will manage if we maintain our average yearly growth rate.

GALA DAY:

Growth also presents major problems for Gala Day. Despite the success and enthusiasm of Gala Day, it was not without shortcomings. We appreciate the constructive criticisms and suggestions which have been forwarded by many clubs. However, the whole concept of Gala Day is now under review, and because of the increasing size of the Association, 1968 may have been the last Gala Day in its well known and most enjoyable format.

KU-RING-GAI UNITED:

Success! The Ku-ring-gai Second grade were undefeated Premiers. The local players of ability are starting to show through, despite their youth, but perhaps as a result of the coaching received and competition enjoyed, in Junior Representative teams.

Stuart Sherwin was a great gain for the code in the district and with the continuance of the present enthusiasm and some more assistance for the over-worked officials of Kuring-gai United the future of senior football in the area is bright.

With fostering Senior Football in Ku-ring-gai always in our minds, the K.D.S.A. have had negotiations with three Second Division Clubs so that they might amalgamate with this Association and so give the area Senior football. Unfortunately, this has been of no avail. However, we will have top class football played in the area, it may not be in 1969 but it is certainly to be so in the not too distant future.

GENERAL:

FINANCE: A look at the Balance Sheet to most of us will appear as a jumble of figures. However, we did have a slight surplus, which illustrates the wisdom of the clubs in accepting (somewhat reluctantly) the higher fees suggested, at the commencement of this year. Had this not occurred, accumulated funds would have suffered considerably. With the constant upsurge of costs to the Association, relief of the high club fees does not appear to be possible in the immediate future.

P. & D.C.: This year this Association has experienced some unfortunate incidents on and off the field of play, in this regard. With an Association of this size it is unfortunately to be expected. However, I strongly urge all club officials, particularly those associated with afternoon football, to assist whenever possible, in maintaining the strong discipline and high respect the Code enjoys in this area.

COMMUNICATION: A closer tie has been enjoyed by some of the Clubs and M.C. of the K.D.S.A. this year. With a wider delegation of duties on the M.C. and a channel of distribution of information being established, we trust that this coming year will see all clubs fully acquainted with all the activities of the Association.

LICENSED CLUB: Each year has seen the K.D.S.A. with a problem or a project. For 1969, this is a project. The Licensed Club. The spadework has now been done and 1968-69 will see this project in full swing. If Club support is forthcoming in its usual fashion, the Code in this area and the clubs and players will benefit considerably.

CONCLUSION:

My thanks are extended to all Clubs and all Officials for their co-operation and support during the year, and to the various sub-committees whose excellent work has made my task considerably lighter.

I look forward to a continuation of this support for the Association Secretary in 1969, and trust that next season will see a consolidation of the Association's activities, and even greater progress in the future.

AUSTIN T. SHEATH

Secretary.

AUDITOR'S REPORT

I hereby certify that I have examined the books of account of the Ku-ring-gai and District Soccer Association for the 1968 Season. In my opinion the Income and Expenditure Account and the Balance Sheet as at 30 September 1968 have been properly drawn up and the Balance Sheet properly represents the state of the Association's affairs as at that date.

(signed)

L. D. THOMAS

Hon. Auditor
