

U6 & U7 Gala Day 2010 - Pools and Groups

Each **Group** at Gala Day in U6 & U7 has 2 **Pools**.

Each **Pool** will be played on fields A and B. Each field will have a Pool Manager.

Each **squad** will be drawn to play in a **Pool** and will play their **teams** on the A and B fields as they do on a regular Saturday. For example :

- Northbridge U6 Pirates is drawn in **Group 1, Pool 1** and will play their **teams** on the A and B fields;
- Lane Cove U6 Kangaroos is drawn in **Group 1, Pool 2** and will play their **teams** on the A and B fields

Each **team** will play all other teams in their **Pool** on their field as per the draw. They will then add up their points on their match card and report to their field's **Pool Manager** who will indicate which **team** plays in the **Group Final**.

Teams play on their own merit and do not add scores together for squad totals. Gala Day is a special event that is different from every other day. It involves multiple games, so the scoring is done differently from the rest of the season and each team will keep its own tally.

The **Group finals** will be played as follows :

Winner of **Pool 1A** will play the winner of **Pool 2A** for the **A** final.

Winner of **Pool 1B** will play the winner of **Pool 2B** for the **B** final.

Following the Group Finals, both the winning and runner up teams are to proceed to the Ground Manager for presentation.
